Thanjavur-614626

## Objective

My goal is to excel in the world of technology and to contribute to the advancement of the field. I am always eager to explore new languages and frameworks, to stay at the cutting edge of the industry. I have acquired a solid foundation in programming languages, data structures and algorithms, database management, and software development methodologies.

## Education

**Periyar Maniammai Institute of Science and Technology, Thanjavur**

B.Tech CSE GPA:7.5

**Brindhavan Higher Secondary School, Thanjavur**

HSC-80% SSLC-90%

## Key Skills

Data Analysis  
Project management  
Python frameworks

Communication  
Problem-solving  
AWS

## Experience

I have completed multiple certifications in data science, such as Joy Of Computing Using Python by NPTEL, AWS Academy Graduate - AWS Academy Cloud Foundations by Amazon Web Services, and Certified Data Scientist by IBM. I have also gained hands-on experience as a data science intern at Oasis Infobyte and Ether Infotech, where I applied my skills in Python, Jupyter, and AWS to analyze, visualize, and model data for various projects.
